

NSSRA Program Guides are available online at www.nssra.org or in print at the Northfield Community Center.

NSSRA provides and facilitates year-round recreation programs and services for children, teens and adults with disabilities who live in 13 northern suburban communities including Northfield. With nearly 500 recreation, sport, cultural and social offerings available throughout the year, we specialize in introducing participants to new experiences, providing opportunities for skill development and leisure time, and most importantly, creating space for friendships to thrive.

Services We Offer

NSSRA serves approximately 1,600 individuals with disabilities through our traditional and cooperative programs. Participants range in age from preschoolers, youth and teens through young adults, adults and seniors. Programs are offered at park district facilities, schools and other locations throughout the northern suburbs.

NSSRA's Inclusion support option provides individuals with disabilities the opportunity to enjoy full participation in partner agency programs while receiving the individualized one-on-one support they need to succeed. For information on Inclusion services or to make arrangements for accommodation, contact Northfield's NSSRA Inclusion Liaison, Jim Reuter, at (847) 446-4428 or jreuter@northfieldparks.org.
