

A REVITALIZED VILLAGE HOUSE *benefits all of us*

BENEFITS FOR SEARS STUDENTS:

- High-tech multipurpose room provides STEM studies
- Additional gym space expands physical education capacity and offerings
- School cafeteria
- Current Sears multipurpose room available for new programming; i.e. broadcast studio for student-created TV shows
- Summertime maintenance and renovation projects at Sears; Park District use of school facilities no longer needed

BENEFITS FOR ALL KENILWORTH RESIDENTS:

- Indoor recreation facility (non-existent today)
- Indoor/outdoor meeting space for local organizations
- Reduces workload on Kenilworth Assembly Hall; allows for dedicated community events and programming
- Facility available for use seven days a week
- Increases community-wide programming (which will increase revenues for Park District)

A revitalized Village House improves Kenilworth's recreational and scholastic amenities, making us more competitive with offerings in surrounding communities!

HOW TO LEARN MORE *and* GET INVOLVED

MAJOR GIFTS COMMITTEE

Mindy Kelly and Scott Wallace, from the BOE, and John Hart, from the Park District Board, are heading up the Major Gifts Program. Please contact them for information or how you can help make this goal a reality.
