Date: March 15, 2020

## Kenilworth Park District Wellness Alert COVID-19 (Coronavirus Update)

The Kenilworth Park District has been monitoring the spread of the coronavirus disease (COVID-19) on an hourly basis and are following all recommendations of county, state, and Federal health organizations. The safety of the public and our staff remain our top priorities. Due to increased uncertainty, the District has decided it is in the best interest of the community to suspend all programming at the Kenilworth Park District and close the main Park District office and the Kenilworth Assembly Hall indefinitely.

**The CDC (Center for Disease Control) announced on Sunday, March 15th the following: The CDC, in accordance with its guidance for [large events and mass gatherings](#), recommends that for the next 8 weeks, organizers (whether groups or individuals) cancel or postpone in-person events that consist of 50 people or more throughout the United States. Therefore the Kenilworth Park District will be closing the Kenilworth Assembly Hall indefinitely. Staff will work with event organizers on rescheduling events.**

**The Kenilworth Assembly Hall is currently the polling place for Tuesdays primary election. At this time, the District has not received any information or direction from the Cook County Clerk on whether the election will proceed as planned. We will continue to contact the Cook County Clerks office in search of an answer. Once we are aware of their plan, the District will share the information with the community.**

We recognize the seriousness of the spread of the coronavirus disease (COVID-19) in our community. We urge all residents to follow the Center for Disease Control's tips below:

### **CDC INFORMATION**

As more information is available regarding COVID-19, the CDC modifies its recommendations. For the most up-to-date information and recommendations, please visit these sites:

[CDC COVID-19 Website](#)
